36) "Recurrent Expenditure" means any expenditure on the establishment, conduct, administration and maintenance of the Academy which does not fall within the categories of Capital Expenditure set out at clause 37. - j) such other items (whether of a like or dissimilar nature to any of the foregoing) of a substantial or enduring nature as the Secretary of State may agree shall constitute capital expenditure for the purposes of this Agreement;
- k) all professional fees properly and reasonably incurred in connection with the provision of any of the above;
- l) VAT and other taxes payable on any of the above.

“Capital Grant” means grant paid to the Company in respect of Capital Expenditure.

38) Where an Academy is to open in new premises, or where existing premises are to be substantially refurbished or remodelled to enable the Academy to open in such premises, the Secretary of State, may, in his absolute discretion be responsible for meeting the incurred Capital Expenditure for that Academy. To that end, the Secretary of State will consider providing funding in accordance with any arrangements as he considers appropriate.

39) Any Capital Expenditure incurred in respect of each Academy on which Capital Grant payments are sought from the Secretary of State will require the specific prior written agreement of the Secretary of State, which agreement shall not be unreasonably withheld or

delayed.

40) Any payment of Capital Grant to the Company under this Agreement is subject to the fulfilment of the following conditions:

a) such grants are used solely to defray expenditure approved by the Secretary of State;

Arrangements for Payment of Capital Grant

41) Capital Grant will be paid by the Secretary of State to the Company on the basis of claims for grant submitted to the Secretary of State in the notified format with supporting invoices and certificates as required by the Secretary of State. Capital Grant will be paid within 21 days from the day on which a claim for grant is received if the claim is in the proper format, supported by the appropriate documentation and the conditions on its payment set out at clause 40 are complied with. If a dispute arises as to whether a claim is or is not acceptable both parties undertake to attempt to resolve it in good faith. In the event of such a dispute, the Secretary of State shall pay to the Company so much of the claim as shall not be in dispute.

Implementation Grant

42) "Implementation Grant" means payments towards Recurrent Expenditure incurred for the establishment of an Academy prior to it opening.

43) The Secretary of State may enter into an agreement with a third party ("Project Management Company") for the provision of project management services to assist in the establishment of an Academy. Where such an agreement has been entered into, the Secretary of State shall pay Implementation Grant to the Project Management Company in accordance with that agreement.

44) If the Secretary of State has indicated that Implementation Grant will be payable, the Company shall prepare and submit to the Secretary of State a budget, for each Academy, showing expected Recurrent Expenditure to be incurred by the Company before the Academy opens and for which grant is sought. This budget must either be agreed to or modified by the Secretary of State as he considers appropriate ("Approved Implementation Budget").

45) Both parties recognise that as the project develops it may be necessary to revise individual costs in an Approved Implementation Budget and to move costs between budget headings in order to ensure that the project remains within its approved budget. Where the Company wishes to make such an adjustment of over £10,000, the reason for the change and a revised budget must be submitted to the Secretary of State for approval.

46) The Secretary of State will pay Implementation Grant to the Company on the basis of claims for grant submitted to the Secretary of State in accordance with the Approved Implementation Budget and in the notified format with supporting invoices, receipts and documents as required by the Secretary of State. If the grant claim is acceptable, the Secretary of State undertakes to pay the amount due within 21 days from the day on which it was received. If a dispute arises over whether a grant claim or part of it is acceptable, both parties undertake to attempt to resolve the dispute in good faith.

47) Any amount in the Approved Implementation Budget in respect of which the expenditure has not been incurred by the Company by the date on which the applicable Academy opens will lapse and no Implementation Grant will be payable in respect of that part of the Approved Implementation Budget. Any amount of Implementation Grant which has been paid but remains unexpended on relevant expenditure by the date on which the applicable Academy opens will, without prejudice to any other mode of recovery, be taken into account in determining the total amount of grant to be paid to the Company in respect of the applicable Academy after that Academy has opened. Any amount of Implementation Grant which is found to have been used on ineligible expenditure will, without prejudice to any other mode of recovery, be taken into account in determining the total amount of grant to be paid to the Company.

General Annual Grant

48) GAG will be paid by the Secretary of State to the Company in order to cover the normal running costs of each Academy. These will include, but are not limited to:

- a) teachers' salaries and related costs (including full and part time teaching staff and seconded teachers);
- b) non-teaching staff salaries and related costs (including pension contributions, educational support staff, administrative and clerical staff and manual and premises related staff);
